**UNISON PRAYER:**

Shine into our hearts, Eternal Light. Illumine us with the radiance of your glory. Banish our fear and dispel our darkness, that we may trust you wholeheartedly and offer ourselves gladly in your service. Quiet us on this holy night that we may experience the miracle of the Incarnation anew: God becoming human, love taking on hate, weakness overcoming the powers of this world. May we see in the tiny face of this newborn the gift of the ages being offered to us -- life with you, life without end, life that is love and peace and joy. Amen.
